

ACKNOWLEDGEMENTS

We are grateful to:

- the Gender Focal Point for assuming responsibility of facilitating the process of putting these policy guidelines together;
- the members of the Policy Working Group: Ms Thelma Maluleke (University of Venda), Professor Cheryl Potgieter (University of Pretoria), Ms Gail Andrews (Director: Women's Health) for conceptualising and developing the policy guidelines;
- Ms Barbara Klugman (Women's Health Project), for assisting with conceptualising and responsibility of drafting this policy guidelines;
- Ms Linda Light (Ministry of Attorney General, Government of Canada) for editing the content and giving useful suggestions regarding the format of the document;
- provincial colleagues from the directorates: Gender Focal Point, Maternal Child and Women's Health, and Human Resources in the Department of Health and other cluster managers (National Office), Heads of Units, Provincial Heads of Health, who enriched the document with their verbal and written comments;
- our partners are: OSW, Professional Organisations, Organised Labour, Educational Institutions and NGOs. Without their assistance, these policy guidelines would not have been possible.
