ISBN 92 4 154695 6

(NLM classification: WF 310)

ISBN 978 92 4 154695 9

This publication was funded by the Bill & Melinda Gates Foundation and the United States Agency for International Development to the Green Light Committee subgroup of the Stop TB Working Group on Drug-Resistant TB. Their financial contribution was essential for WHO and partners to produce and analyse most of the evidence supporting these guidelines.
