

Reaching out for better health for all

The record of proceedings

Introductory guide

to Summit documents on website

The record of the Health Summit is grouped into six sets of documents:

Section 1 Setting the Scene comprises the opening addressed by the Minister of Health, President and Director-General of Health

Sections 2A – 2D Four theme areas were covered, namely:

[Quality of Care](#)

[Human Resources for Health](#)

[Communicable Diseases: HIV/AIDS and Tuberculosis](#)

[Public-Private Interactions](#)

Sections 2A to 2D each comprise three documents:

A discussion paper prepared before the Summit

A journalist's pensketch of the discussion

The formal report of the theme group rapporteur

Section 3 Forward from the Summit comprises the main recommendations for action from all theme groups and the Minister of Health's summing up
